

**NOTIFICATION PURSUANT TO**  
**SECTION 6 OF DSHEA**

In compliance with Section 6 of the Dietary Supplement Health Education Act (DSHEA) and Rule 21 C.F.R. 101.93, this Notification is filed on behalf of the following manufacturer of **Weider Signature Lean Pro™, Product #52418 & #52419** bearing the statements set out below:

**Weider Nutrition International., Inc.**  
**2002 South 5070 West**  
**Salt Lake City, Utah 84104**

The text of each structure function claim for **Carbohydrate, Protein, Creatine & Glutamine** is as follows:

- |                      |  |
|----------------------|--|
| <b>(Statement 1)</b> | Complete Exercise Recovery   |
| <b>(Statement 2)</b> | Lean Pro is a great tasting, easy-to-mix way to get the essential nutrients and added supplements your body demands for increasing lean muscle mass and strength, without unwanted fat.  |
| <b>(Statement 3)</b> | Lean Pro delivers 20 grams of high quality whey protein isolate to help promote protein synthesis for increased muscle gains and to support a healthy metabolism.  |
| <b>(Statement 4)</b> | Lean Pro also includes 3 grams of HPLC laboratory tested creatine monohydrate, an element used in the production of muscular energy, or ATP (adenosine triphosphate). In fact, taking creatine supports an increase in strength, power, force output, and promotes muscle cell hydration, resulting in fuller looking muscles. |
| <b>(Statement 5)</b> | Since creatine is needed in your muscle's cells and is best absorbed in the presence of glucose (carbohydrates found in your blood) Lean Pro includes 20 grams of carbs to help transport creatine and promote optimal energy.   |
| <b>(Statement 6)</b> | Lean Pro is also formulated with an additional 1 gram of L-glutamine for its role as a powerful anti-catabolic amino acid, immune system enhancer and for its ability to further increase muscle cell hydration.   |

97S-0162

LET 6239

**(Statement 7)**

Lean Pro, by Weider – A scientifically advanced lean protein formula that tastes great, mixes easily in a shaker cup with water and helps you achieve your muscle building and fat loss goals.
